# EULER HERMES

Our knowledge serving your success

is looking for a **CREDIT ANALYST**  
with placement in **HELSINKI, FINLAND**

**The position** as Credit Analyst involves independent responsibility for analysis and rating of Latvian companies for which Euler Hermes insures credit risk. Credit analysis and credit monitoring are based on both secondary information from online resources and primary information that you will collect through personal site visits and phone calls. In addition to having regular contacts with Latvian companies, it is an important task also to write credit reports and presenting these to our Nordic credit committee. Since Euler Hermes is a part of a global group the daily work means many international contacts with our sister companies around the world.

**Euler Hermes offers** a challenging and exciting role in a cohesive team. The work provides you with a very good insight into the Latvian business world and great opportunities for a professional exchange with colleagues in Finland and abroad. The position is based in Helsinki with commensurate remuneration.

**Suitable background** for this position is an MBA graduate or equivalent with a couple of years of work experience in credit evaluation of companies and knowledge of the local financial environment. You will analyze financial statements, have the ability to sift out relevant information and should be skilled at presenting your conclusions. Very good knowledge of MS Office, particularly Excel, and a good command of both written and spoken English are requirements. You are probably native in the Latvian language. Being a good planner, organizing your work and liking to take responsibility are needed characteristics, whereas you as a person are careful, have integrity and can argue your perception of credit issues. You have an outgoing manner, are easily collaborating with others and act as a team player.
