

SENIOR PROGRAMMER/ PROJECT/ PRODUCT MANAGER

Ask yourself this:

Do I like to excel?

Can I do more?

Can I be trained further?

Do I have a 'Gung-Ho'-attitude?

Do I want it badly enough?

Do I see myself also
working overseas?

**IF YOUR ANSWERS ARE
YES, THEN WE WISH TO
HEAR FROM YOU!!!**

An international hospital processes- and solutions company operating out of Norway, Latvia, and the Netherlands, has recently won contracts in the local as well as international markets. With stretched logistics supply-lines for key manpower, our client needs to consolidate and beef up for the new challenges laying ahead.

The new Scandinavian Riga office in the centre is due to open. Made to create a good work feeling, harmony and warmth, 'a House is not a House without someone there'. Thus, together with you, we wish create that and the 'Competitive Edge' called YOU!

The Norwegian consulting and software development organisation Hospital Organiser

A/S (HOAS) established 2003 in Lysaker Norway, HOAS, has delivered a suite of administration, clinical, medical and logistics applications for hospitals and this is where you come in! Primarily responsible for developing and maintaining our hospital solutions and the operative contact for our customer in Riga, you are our Product Manager for hospital solutions.

We don't expect you to meet with all what we need – but we would like that you surprise us!

As Product Manager for Hospital Solutions, you are:

- Developing new, maintaining existing hospital applications
- Becoming our single point operative contact to customer in Riga
- Proactive, customer oriented able to define and create new features and solutions
- Providing general programming assistance to other EHS programmers/projects
- Working with EHS staff to plan program code enhancements and changes.
- ...and there is MORE – up to You!

We see your having ideally 5+ years of experience with:

- HTML and Javascript
- C# or Visual Basic .NET (ASP.NET or WinForms)
- WPF/Silverlight is an advantage
- SQL Server databases, programming and optimizing
- Windows Server based infrastructure understanding
- Good command of Latvian and English and aiming to be even better!
- Possibly even medical or hospitals solutions experience?

Personality wise:

You enjoy working in small teams, in a fast-paced environment enhancing /maintaining code to meet constantly changing client- and -industry needs.

... and your Having a Nose for Business & Customer Care is the icing on the cake!

We offer:

Scandinavian management thinking, people care, dynamism & your development!

Please apply to us in English, ideally send us a CV, or just give us a call! Email office@prime.lv marked K521-1-PR and tell us why YOU are the best so we can set up a meeting or call +371 29 360 813. EXPIRY DATE: SEPTEMBER 14, 2014 – but the faster the better!

Tipsters that lead to a person being considered for this role or other via PRIME Recruitment will be rewarded with a Romantic Dinner for Two or other. Say "Candidate Hunt", when you connect! You cannot recommend yourself.
