

**Do you know
anyone
who can
fill these
shoes??**

The **PRIME CANDIDATE HUNT** is your opportunity to recommend friends, acquaintances, colleagues or relatives for potential jobs. If the person finds a position through us you will **win** a romantic dinner for two at Hotel de Rome or Indian Raja!

You can submit several persons to increase your chances, but you can't submit yourself. The person also has to be 'new' to us; that is not be in our database already.

Don't hesitate - send us the person's CV or contact details and help yourself, your friends and us!
